To perform every duty with fidelity and conscientiousness and to make duty my watchword.

To obey all orders and regulations of The Citadel and of proper authority.

To refrain from intoxicants, narcotics, licentiousness, profanity, vulgarity, disorder, and anything that might subject me to reproach or censure within or without the college.

To be diligent in my academic studies and in my military training. To do nothing inconsistent with my status as a cadet.

To take pride in my uniform and in the noble traditions of the college and never do anything that would bring discredit upon them.

To cultivate dignity, poise, affability, and a quiet and firm demeanor. To make friends with refined, cultivated, and intellectual people.

To improve my mind by reading and participation in intellectual and cultural activities.

To keep my body healthy and strong by physical exercise and participation in many sports.

To be generous and helpful to others and to endeavor restrain them from doing wrong.

To face difficulties with courage and fortitude and not to complain or be discouraged.

To be worthy of the sacrifices of my parents, the generosity of the state, and the efforts of all who teach and all who administer the college in order that I might receive an education and to recognize my obligation to them.

To make the college better by reason of my being a cadet.

To resolve to carry its standards into my future career and to place right above gain and a reputation for integrity above power.

To remember always that the honor of being a Citadel Cadet and graduate imposes upon me a corresponding obligation to live up to this code.

## CHAPTER 1 – GENERAL REGULATIONS

**1.1 PURPOSE:** This Regulation, hereafter referred to as The Blue Book, provides specific policy guidance for members of the South Carolina Corps of Cadets.

**1.2 DUTY:** “Duty is the most sublime word in the English language. Do your duty in all things. You can never do more; you should never wish to do less.”

-General Robert E. Lee.

### 1.2.1 Individual Responsibilities:

1.2.1.1 Duty always takes precedence over privileges. Cadets have an individual duty to meet all standards. Cadets have a collective duty to the South Carolina Corps of Cadets to perform responsibilities of their rank to the best of their ability.

1.2.1.2 Cadets will comply with these regulations and all other written or oral directives issued. Cadets have the moral and ethical responsibility to report all offenses affecting good order and discipline. Such reports will be made at the time of the offense or as soon as possible thereafter to an officer or member of the cadet chain of command.

1.2.1.3 It is The Citadel’s policy to fully support the protection of anyone submitting a good faith incident report from any form of retaliation including negative actions such as dismissal, suspension, or other threats including the withholding of positive actions. An individual who believes they are under retaliation for submitting a valid incident report should contact The Citadel Internal Auditor (for issues of fraud, waste, or abuse) at 843-953-5118 or a campus Ombudsperson at 953-7953/5096/4830 (Cell) 437-9645/367-8340.

1.2.1.4. It is also a cadet duty to support, encourage and recognize outstanding performance by cadets under their charge.

1.2.1.5. A cadet is expected to act in accordance with the intent and spirit of regulations, directives, and orders. Cadets are required to know the contents of the Blue Book and the College Regulations. Ignorance of the rules is not an acceptable excuse for taking actions contrary to the regulation.

### 1.3 PUBLICATIONS.

1.3.1 The following documents will be maintained on the Commandant’s Webpage: The Blue Book, The Honor Manual, the Organizations, Functions, and Administrative Standard Operating Procedures (the White Book) and the Regimental Guard Orders.

### 1.4 HAZING.

1.4.1 **Hazing is behavior which is inconsistent with The Citadel Core Values and dangerous to the well-being of others.**

1.4.2 Hazing is prohibited. Hazing is a violation of South Carolina Law and Citadel Regulations and is punishable by up to expulsion from The Citadel. Allowing any hazing to occur, condoning acts of hazing, or failure to immediately stop an incident of hazing where direct physical injury is most likely is also punishable by up to expulsion from The Citadel.

1.4.3 **Hazing is defined as a wrongful striking, an unauthorized laying hand upon, threatening with violence, or offering to do bodily harm by any student to another student, or any other unauthorized treatment by one student toward another student of a tyrannical, abusive, shameful, insulting, or humiliating nature; or otherwise requiring any student to perform any personal service for another student except as specifically provided for in Cadet Regulations.**

### 1.5 Bullying and Physical Mistreatment

### 1.6 DISCRIMINATION.

1.6.1 **Cadets have a responsibility to practice the highest standards of fairness and impartiality in the conduct of their duties. Cadets are expected to be actively sensitive to proper relationships, including issues related to different cultures, gender, race, lifestyle choices, sexual orientation, and religious beliefs.**

1.6.2 Words which denigrate or humiliate others are unprofessional and disrupt unit performance and cohesion.

1.6.3 Similarly, words, symbols, or clothing from recognized hate groups are considered detrimental and will not be tolerated.

### 1.6 SEXUAL HARASSMENT

1.6.1 Sexual harassment is prohibited and subject to punishment up to expulsion from The Citadel. Sexual harassment is unwelcome conduct of a sexual nature. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal or physical conduct of a sexual nature. Sexual harassment may consist of repeated behaviors or arise from a single incident, if sufficiently severe. Harassment of women by men, harassment of men by women, and harassment between persons of the same sex may all constitute sexual harassment.

1.6.2 Verbal, non-verbal, or physical conduct can constitute sexual harassment when:

- 1.6.2.1 It is implicitly or explicitly suggested that submission to or rejection of the conduct will be a factor in academic or employment decisions or evaluations, military or leadership positions, or participation in a Citadel activity (Quid Pro Quo) ;
- 1.6.2.2 It does not implicitly or explicitly suggest that submission to or rejection of the conduct will be a factor in an academic or employment decision, but is sufficiently serious to deny or limit an individual's ability to participate in or benefit from The Citadel's program, and is both subjectively offensive to the alleged victim and objectively intolerable to a reasonable person. (Hostile Environment).
- 1.6.3 Quid Pro Quo Sexual Harassment: Direct or indirect pressure to engage in sexual activity with implicit or explicit promises or threats, such as a harasser asking a subordinate, coworker, or peer for sexual favors in exchange for any benefit, including but not limited to improved work, learning, or social conditions (e.g., better grades, promotions, evaluations, etc.).
- 1.6.3.1 This form of harassment typically occurs when someone with the authority to make employment, academic, cadet life, or any other aid, benefits, or services decision abuses the power he/she has over others.
- 1.6.4 Hostile Environment Sexual Harassment: A situation in which sexually harassing conduct creates an uncomfortable, intimidating and/or demeaning atmosphere and is sufficiently severe, persistent, or pervasive that it limits a person's ability to work or participate in and/or benefit from an educational program or activity.
- 1.6.4.1 Hostile environment sexual harassment does not depend on a difference in power; frequently, hostile environment is found in peer-to-peer harassment.
- 1.6.4.2 Hostile environment sexual harassment includes sex or gender-based discrimination, such as physical threats or verbal abuse, which is demeaning or intimidating.
- 1.6.5 Unwelcome Conduct: conduct that is not requested and is regarded as undesirable and offensive. Acquiescence in conduct does not render it "welcome," though active participation in conduct without indication of objection generally will not support a finding that such conduct is unwelcome.
- 1.6.6 Retaliation: Taking harmful or negative action to get revenge against an alleged victim, complainant and/or witness who provides information regarding an alleged sexual harassment incident.
- 1.6.7 Affirmative Consent: An active decision to willingly engage in mutually acceptable sexual activity given by clear actions or words. It is an informed decision made freely and actively by all parties who are legally able to consent.
- 1.6.8 Cadet Commanders will ensure cadets receive training in what constitutes sexual harassment and know the avenues available for reporting sexual harassment. Cadet Commanders will take prompt and decisive action when such harassment is reported. See Memorandum 2-26 on The Citadel Policy webpage: <http://www.citadel.edu/policies/> for the entire policy and for the Formal Sexual Harassment Complaint Form.
- 1.6.9 Reporting. The Director of Cadet Advocacy, Response, and Education (CARE) is the primary point of contact for The Citadel and community at large to coordinate sexual harassment victim care. Her office provides alleged victims with information regarding reporting options and support throughout the process. Ms. Janet Shealy, the Director of CARE receives reports of sexual harassment. The Director of CARE is located at Thompson Hall, Room 105, e-mail: [Janet.shealy@citadel.edu](mailto:Janet.shealy@citadel.edu), Office phone: 843-953-7277, Cell phone (24/7): 843-425-1315. Cadets also may report to: An appropriate person upward in the chain of command, a Tactical Officer, an Assistant Commandant, Commandant of Cadets, an Ombudsperson, Chief Diversity Officer, a cadet Human Affairs member, a cadet Religious Officer, the Chaplain or any campus minister, a counselor in the Counseling Center, a member of The Citadel Faculty or Staff, or a Public Safety Officer. **The director of CARE will be notified of the incident.**

## 1.7 SEXUAL VIOLENCE.

- 1.7.1 Sexual violence is any non-consensual physical conduct of a sexual nature and encompasses a broad range of behaviors including, but not limited to:
  - 1.7.1.1 Non-Consensual Sexual Intercourse: Any sexual penetration (anal, oral, or vaginal) however slight, with any body part or any object, without affirmative consent. This act is commonly referred to as rape.
  - 1.7.1.2 Non-Consensual Sexual Contact: Touching of someone's intimate body parts such as genitalia, groin, breast, buttocks, or any clothing covering them; touching a person with one's own intimate body parts; or compelling another to touch one's intimate body parts without affirmative consent. These acts are commonly referred to as sexual assault.
  - 1.7.1.3 Sexual Exploitation: Non-consensual sexual advantage of another for one's personal or third-party's benefit that does not otherwise constitute rape or sexual assault. Sexual exploitation encompasses a wide range of behaviors which include, but are not limited to:
    - Inducing incapacitation with the intent to rape or sexually assault
    - Allowing others to observe a personal act of consensual sex without knowledge or consent of the partner;
    - Non-consensual electronic recording, photographing, or transmitting intimate or sexual utterances, sounds or images of another person;
    - Voyeurism (Peeping Tom activity);
    - Knowingly transmitting an STI/STD or HIV to another student;

Prostituting another person (i.e., personally gaining money, privilege, or power from the sexual activities of another person).

- 1.7.2 Affirmative Consent is an affirmative decision to engage in mutually acceptable sexual activity given by clear actions or words. It is an informed decision made freely and actively by all parties who are legally able to consent. A person cannot legally consent to sex if he or she:
  - 1.7.2.1 Is under the age of sixteen (16) (in the State of South Carolina);
  - 1.7.2.2 Has a mental disorder or developmental or physical disability that renders him or her incapable of giving consent;
  - 1.7.2.3 Is unconscious or is asleep;
  - 1.7.2.4 Is incapacitated from alcohol or other drugs, and this condition is known or reasonably should be known to the accused;
  - 1.7.2.5 Is induced to engage in sexual activity by the other person's physical coercion, or abuse of position of power, trust or authority; and/or use of artificial means (i.e., drugs such as Rohypnol);
- 1.7.3 Affirmative consent can be revoked. Thus, a person who initially consents to sexual activity may subsequently express by words or any other behavior, at any time, a lack of agreement to continue engaging in sexual activity.
- 1.7.4 Cadet Commanders will ensure cadets receive training in what constitutes sexual violence and know the avenues available for reporting sexual violence. Cadet Commanders will take prompt and decisive action when such violence is reported. See Memorandum 2-25 on The Citadel Policy webpage: <http://www.citadel.edu/policies/> for the entire policy and for the Formal Sexual Violence Complaint Form. **Staff and TACs will, with the assistance of CARE, assist in the required training.**
- 1.7.5 Reporting. **All Cadets are required to report observed incidents of sexual violence and are highly encouraged to report a personal experience of sexual violence.**
  - 1.7.5.1 Prompt reporting of such incidents makes investigation of the incident more effective and enhances the ability of The Citadel to investigate and take action on a complaint.
  - 1.7.5.2 Reports of incidents of sexual violence should be made to the Director of Cadet Advocacy, Response, and Education (CARE), Janet Shealy, (843-953-7277 (office phone), 843-425-1315 (24/7 cell phone), e-mail: [janet.shealy@citadel.edu](mailto:janet.shealy@citadel.edu), if the victim is a cadet.

## 1.8 RELATIONSHIP ISSUES.

- 1.8.1 Cadets of all ranks and classes meet and associate with each other in many settings. Cadet associations with one another are governed by rank and by class relationships. Respect for authority of the cadet who is senior by virtue of rank and/or class is essential for the maintenance of good order and discipline. Historically, fraternization and improper relationships have created detrimental effects on unit cohesion.
  - 1.8.1.1 Improper cadet relationships are those inter-gender (male-female) or intra-gender (male-male, female-female) relationships that could result in actual or perceived favoritism, unfairness, or partiality that are detrimental to good order and discipline within the unit or the chain of command or that result in demonstrated improper use of rank or position for personal gain.
- 1.8.2 **Fraternization**
  - 1.8.2.1 Fraternization between upper class cadets and fourth class cadets is not authorized under any circumstance.
  - 1.8.2.2 Fraternization in a military unit is defined as any personal relationship that is detrimental to the good order and discipline of that unit.
  - 1.8.2.3 Fraternization is not the open discussion by any member of a new cadet's Chain of Command, with a new cadet, about issues that are of concern to the new cadet regarding success at The Citadel. This can be an open professionally conducted two-way conversation.
- 1.8.3 **Personal Relationships**
  - 1.8.3.1 Personal relationships, unlike fraternization, have a positive side. Close relationships which foster mutual respect are required to build cohesive units.
  - 1.8.3.2 Leaders are expected to care for their subordinates. The emotional ties that naturally follow good leadership are important to the success of any unit.
  - 1.8.3.3 Positive, professional relationships between cadets of all classes and ranks are necessary to build the vertical bonds that tie leaders to those they lead.
  - 1.8.3.4 Cadets must appreciate that relationships between cadets of different rank or class which involve partiality, preferential treatment, or the improper use of rank position for personal gain are prejudicial to good order, discipline, and high unit morale.
  - 1.8.3.5 Friendships that existed prior to the fourth class cadets entering The Citadel and social relationships resulting from being a **Cadet Athlete** or club sports team, yearbook staff, school newspaper staff, etc., may be permitted if both cadets are not assigned to the same company.
    - 1.8.3.5..1 This does not eliminate the responsibility of both cadets to interact in such a way that will not cause the perception of improper biased feelings, favoritism, or lack of professionalism.
  - 1.8.3.6 Though less formal relationships may be present in off campus social events, the Fourth Class protocols are still in effect.

#### **1.8.4 Dating**

- 1.8.4.1 Dating among cadets of the upper classes is permissible; however, dating will be conducted with the same standards of discretion and good judgment expected of all cadets.
- 1.8.4.2 Specifically, cadets may not date a member in their direct chain of command.
- 1.8.4.3 Should a personal relationship evolve within a chain of command, cadets involved should seek resolution simultaneously both through the chain of command and TAC Officer.
- 1.8.4.4 Dating between fourth class cadets is permitted but must be conducted with the same high standards of discretion and good judgment expected of all cadets.
- 1.8.4.5 Dating or personal associations between faculty/staff and cadets:
  - 1.8.4.5..1 Professional and social association between faculty/staff and cadets play an important role in the education and socialization of cadets. Participation in these professional and social associations is encouraged. Dating, however, erodes the value of these associations and is prohibited.
  - 1.8.4.5..2 Dating and/or overly familiar relationships between cadets and active military personnel who are stationed at The Citadel are regarded as unprofessional and improper and are prohibited.

#### **1.8.5 Sexual Activity On Campus**

- 1.8.5.1 Cadets may not engage in any serious sexual activity on The Citadel campus. Cadets may not engage in serious sexual activity off campus between fourth class and upper class cadets.
- 1.8.5.2 Serious sexual activity may include, but is not limited to: oral sex, sexual intercourse, or public display of nudity or partial nudity.
- 1.8.5.3 Public displays of affection, groping, fondling or other activity that would be considered inappropriate are not authorized in public or on campus.

### **1.9 MARRIAGE AND CHILD CUSTODY**

- 1.9.1 Cadet life is stressful, physically demanding, and requires the full-time commitment of all cadets. Consequently, cadets, male and female, are not permitted to be married, nor are they permitted to have primary custody or childcare responsibilities for a child.

## CHAPTER 2 – CADET LIFE

### 2.1 GENERAL

2.1.1 The Commandant of Cadets is responsible to the President of The Citadel for the command and control of the South Carolina Corps of Cadets.

2.1 TACs: The Battalion and Company TACs are responsible to the Commandant for teaching, advising, and counseling all cadets in their charge and promoting a positive command climate that is consistent with core values and suitable for principled leadership development exists within their units

### 2.2 .COMMAND, CONTROL, AND ORGANIZATION OF THE CORPS OF CADETS

#### 2.2.1 General

2.2.1.1 Command authority within the Corps of Cadets is vested in cadet officers appointed by the Commandant with the authority of the President. The Cadet Regimental Commander commands the Corps of Cadets through subordinate cadet commanders at battalion and company level (chain of command).

2.2.1.2 Detailed organizational charts are found in Chapter 1 of the *Organizations, Functions, and Standard Operating Procedures (SOP)*, "The White Book." The academic requirements for holding cadet rank are 2.0 cumulative GPA and proper class classification. See White Book, Chapter 14

2.2.2 **The Cadet Chain of Command** is composed of those cadets who are held responsible for the individual and collective well-being of cadet members of their military unit. **COMMANDERS ARE RESPONSIBLE FOR THE COMMAND CLIMATE AND WHAT THEIR UNIT DOES OR FAIL TO DO.** The members of the Cadet Chain of Command are outlined below.

2.2.2.1 Cadet Regimental Commander. The senior ranking cadet appointed to the rank of Cadet Colonel. Responsible to the Commandant for command and control of the Corps of Cadets.

2.2.2.2 Cadet Battalion Commander. Appointed to the rank of Cadet Lieutenant Colonel. Responsible to the Regimental Commander for command and control of one of the five cadet battalions.

2.2.2.3 Cadet Company Commander. Appointed to the rank of Cadet Captain. Responsible to a Cadet Battalion Commander for command and control of a rifle company.

2.2.2.4 Cadet Platoon Leader. Appointed to the rank of Cadet Second Lieutenant. Responsible to the Cadet Company Commander for command and control of one of the platoons.

2.2.2.5 Cadet Squad Leader. Appointed to the rank of Cadet Sergeant. Responsible to the Cadet Platoon Leader for command and control of one of the squads within the platoon.

2.2.2.6 Regimental Band Commander. Appointed to the rank of Cadet Major. Responsible to the Cadet Regimental Commander for command and control of the Regimental Band.

2.2.2.7 Palmetto Battery Commander. Appointed to the rank of Cadet Captain. Responsible to the Regimental Commander for command and control of the Palmetto Battery.

2.2.2.8 **Corporals will be assigned to companies at the beginning of first semester and some will serve on cadre. They will be involved in the training of fourth class cadets but only when a junior or senior member of the chain of command is present.**

2.2.2.9 **Cadet Corporals will not be allowed unsupervised interaction with fourth class cadets under any circumstances.**

2.2.2.10 Other Cadet Rank Holders

2.2.2.10.1 Cadet rank holders not specifically mentioned above are not part of the Cadet Chain of Command. They are, however, key and essential to the smooth functioning of the Corps of Cadets. Regimental and battalion staff officers and non-commissioned officers (NCOs) assist their commanders in carrying out their command responsibilities. Company Commanders are assisted by the Executive Officer and a staff which fulfills the functions of Academics, Athletics, Honor, Human Affairs, Regulations and Discipline (R&D), Supply, Recruiting, Clerk, and Armorer. Platoon Leaders are assisted by Platoon Sergeants. Squad Leaders are assisted by Assistant Squad Leaders (Corporals). The Commandant may designate cadets to have rank of specific activities such as the Summerall Guards, Senior Class President and the Rifle Legion. Appointments are not automatic. Recommendations will be forwarded to the Commandant.

Summerall Guard Commander	CPT
---------------------------	-----

Senior Class President	CPT
------------------------	-----

Rifle Legion Commander	CPT
------------------------	-----

Junior Class President	MSG
------------------------	-----

Sophomore Class President	CPL
---------------------------	-----

2.2.2.11 Cadet leaders of NCAA sanctioned teams who meet the qualifications for holding rank will be screened and one will be appointed as a Cadet Captain.

2.2.2.12 Recommendations will be forwarded to the Athletic Director for approval by The Commandant.

If only an academic junior is available to be a team captain, rank will be determined by the appropriate team TAC in coordination with the team coach.

When an academic junior assumes captaincy of a team, Cadet Master Sergeant Rank will be substituted for Cadet Captain.

### 2.2.3 Authority

2.2.3.1 Cadet leaders in positions of authority have the following general duties.

Discharge all responsibilities of the position to the best of their ability and enforce these regulations.

Set a good example for all cadets.

Be accountable for the whereabouts and well-being of **all** cadets.

Be accountable for equipment assigned to their organization.

**Be required to address discrimination when it occurs, by reporting/reprimanding/taking appropriate action, etc.**

Unit policies written or unwritten which go against The Citadel Rules and Regulations are strictly prohibited.

2.2.3.2 Cadets are authorized to give orders or make corrections on cadets junior to themselves. Only the authorized chain of command is allowed to give orders or make corrections to fourth class cadets.

2.2.3.3 Cadets are expected to make an on-the-spot correction on another cadet who is observed violating regulations, orders, or expected standards, regardless of the unit to which either cadet is assigned. If these corrections are significant and require a performance report, they should be brought to the attention of the violator's chain of command.

2.2.3.4 Cadets in temporary positions of authority (e.g. guards and specified details) are authorized to issue orders in the discharge of their responsibilities to all Cadets regardless of the seniority of the cadets involved.

### 2.2.4 Seniority

2.2.4.1 Within the organization of the Corps of Cadets, seniority is determined first by cadet rank and thereafter by alphabetical order among cadets of equal rank within each class. Cadet Privates of each class are senior to **all** Cadet Privates in the classes junior to their own.

2.2.4.2 Regardless of cadet rank, **Cadet Athlete** team captains and cadets in charge of extracurricular activities are senior to cadets on their respective teams or activities for all actions pertinent to that team or activity.

2.2.4.3 On any school sanctioned trips (other than NCAA sanctioned events), the senior ranking Cadet present will assume the duties of Cadet-In-Charge (CIC) for that particular activity when a club leader or other duly appointed CIC is not present.

## 2.3 ACADEMIC MATTERS

Not to wear any cover during the designated period.  
**Cadets may not leave campus in uniform without a cover.**

- 2.7.3.17.12 **“R”** (restricted) designation added to any of the above restricts the cadet to campus.  
Typically, restriction to campus for the weekend will accompany any excused disposition (XMD, XPT, etc.) initiated on a Friday afternoon.  
Except as noted above, cadets in restricted status are subject to all cadet rules and regulations.
- 2.7.3.18 **Temporary Disability Status (TDS).**
- 2.7.3.18.1 A cadet is placed on TDS when a medical condition requires that he/she be excused from military duties or physical training for an extended period of time (normally several weeks), but not permanently.
- 2.7.3.18.2 For example, a Cadet with a broken leg will generally be placed on TDS for 6 weeks.
- 2.7.3.18.3 TDS will always be accompanied by excused duty (e.g., TDS and XMD, or TDS and SS) TDS does NOT place the Cadet on “X-uniform” status.
- 2.7.3.18.4 In exceptional cases, conditions requiring only a few days for recovery might also warrant TDS; e.g., short hospitalization or injury during the Fourth Class Cadre Training Period.
- 2.7.3.18.5 A Cadet placed on TDS will not be referred to the Campus Assessment Team (CAT) for medical review except under unusual circumstances; e.g., recovery taking longer than expected or extending into a new semester.
- 2.7.3.18.6 TDS typically ends with the current semester. If more time is required for rehabilitation, then TDS must be renewed based on orders from the treating physician(s).
- 2.7.3.19 **Medical and Dental Appointments.**
- 2.7.3.19.1 **Routine Appointments.**
- 2.7.3.19.2 Appointments for routine dental work, eye examinations, non-emergency surgical procedures, etc. should be scheduled during Summer, Winter, or Spring furlough periods whenever possible.

In emergency situations, cadets will be transported to specialists and/or medical facilities in the Charleston area to address medical/dental needs beyond Infirmary capabilities.
- 2.7.3.19.4 **Medical Pass.**  
A Medical Pass is required for local appointments or non-emergency trips to a Charleston Emergency Room. If the services of a local dentist or medical specialist are needed, cadets may either make their own appointments or ask the Infirmary Staff for assistance in getting an appointment.  
For appointments made by other-than-Infirmary staff personnel, a written note from the dentist’s or physician’s office must be received at the Infirmary at least 48 hours before the local appointment (within 50 miles of campus and not overnight). The Infirmary Staff will then issue a Medical Pass.
- 2.7.3.19.5 **Medical Leave.**

Medical leave can be granted for medical treatment more than 50 miles away or treatment requiring an overnight stay. Application for Medical Leave must be submitted along with a written note (appointment slip) from the private physician's/health-care provider's office at least five working days before an off-campus medical appointment. The Citadel Surgeon will evaluate the request, and then forward it to the Commandant (or his representative) for approval/disapproval.

Once a Medical Leave is approved, the Infirmary will enter the information into the Special Orders computer system, print a copy of the approved order and the cadet will present it to the Company Clerk or designated member of the Chain of Command.

2.7.3.19.6

**Scheduling Appointments.**

Off-campus appointments are NOT to be scheduled during classes, drills, parades, or official ceremonies. Friday afternoon appointments (after 1200) will NOT be approved as a general rule.

Exceptions may be granted by the Citadel Surgeon in rare cases with sufficient justification.

2.7.3.19.7

**Transportation.**

Transportation will be provided through the Infirmary for all cadets needing to visit the emergency room. The Infirmary can also arrange transportation for Fourth Class Cadets to and from off-campus medical/dental appointments and to pick up medications not available in the Infirmary Pharmacy.

Cadets requiring transportation are asked to schedule medical appointments early enough that the Citadel Courier can get them back to campus by 1600 (weekdays).

Public Safety can provide transportation back to campus from appointments ending after 1600 when approved by the Infirmary. Upper Class Cadets are expected to provide their own transportation to local appointments, but the Citadel Courier, if available, can provide transportation for Upper Class Cadets in unusual circumstances.

2.7.3.19.8

**Sign-Out.**

On the day of an appointment, the cadet will report to the Infirmary, sign-in on the Infirmary computer, and pick up a Medical Pass at least one half-hour before leaving for the appointment. Cadets will ask the doctor to document his/her diagnosis, treatment, medications, and duty restrictions, (if any) on the Pass before leaving the office.

The cadet will then return to the Infirmary to sign-in and to receive an Infirmary Slip (duty excuse). Cadets have 20 minutes after sign-in to report to duty.

2.7.3.19.9

**Follow-up Visits.**

If a follow-up appointment is scheduled during a local doctor visit, the cadet must present the appointment slip to the Infirmary nurse so that a Medical Pass can be generated for the next appointment.

2.7.3.20

**Prescription Medications.**

2.7.3.20.1

Cadets taking medications prescribed by a private physician must report this information to the Infirmary for inclusion in the cadet's medical record.

2.7.3.20.2

The Citadel Surgeon will determine which medications must be administered at the Infirmary and which may be secured in the cadet's lock box for self-administration.

2.7.3.20.3

Prescription drugs will be kept in the original bottle and are not to be shared with anyone else.

2.7.3.21

**Malingering.**

2.7.3.21.1

"Malingering" is defined as feigning sickness or injury to avoid duty or work.

2.7.3.21.2

Cadets who fail to give the Infirmary physician or nurse full and/or accurate information concerning their condition with the intent to evade duties or classes will be returned to duty and can be referred for a Commandant's Board for malingering.

2.7.3.22

**Campus Assessment Team (CAT).**

2.7.3.22.1

The Campus Assessment Team (CAT) is a multidisciplinary team whose mission is to make individualized and objective assessments of an applicant's or a student's ability to safely participate in The Citadel's program, to detect patterns and trends in individual or group conduct, and to provide consultation and support to faculty, staff, and administration in assisting students who display concerning or disruptive behaviors.

2.7.3.22.2

The CAT will meet regularly to assess prospective or current students' ability to comply with the physical and behavioral requirements of The Citadel's program; to receive reports and gather information to assess situations involving current students who display concerning or disruptive behaviors; to connect students with needed campus and community resources; to recommend appropriate intervention strategies or disciplinary sanctions; and to monitor ongoing "red flag" behavior of students who have displayed disruptive or concerning behavior.

2.7.3.22.3

Cadets who exhibit continuing inability to meet physical standards of The Citadel's educational program. The Citadel Surgeon is responsible for monitoring Cadet "X" status, medical leave, Infirmary usage, etc., and will refer appropriate cases to the CAT. Such inability may be manifested by, among other acts:

Visiting the Infirmary, or an off-campus provider, twenty-one (21) times or more during a single semester.

- Spending twenty-one (21) days or more on some combination of “X” status, medical leave, in-patient status, etc., during a semester.
- Temporary Disability Status lasting significantly longer than anticipated for a particular illness or injury.
- Major illness or injury which may preclude cadet participation in required military, physical or academic duties for a protracted period.
- Fourth Class Cadets missing more than thirty (30%) per cent of the Fourth Class Cadre Training Period (*i.e.* the period between matriculation and the beginning of academic classes).
- 2.7.3.22.4 Any other behavior that may be associated with serious difficulties in functioning. These behaviors may include:
- Excessive class absences.
  - Significant change in grades.
  - Atypical (for the student in question) failure to attend required activities.
  - Atypical (for the student in question) accumulation of punishments.
- 2.7.3.22.5 For the complete policy on the Campus Assessment Team (CAT), see Memo 2-23, <http://www.citadel.edu/policies/>
- 2.7.3.23 **Medical Insurance.**
- 2.7.3.23.1 Cadets (all classes) are required to have supplemental medical insurance policies covering them whenever they are present on campus.
- 2.7.3.23.2 Many cadets are covered under their parents’ insurance policies, but most insurance companies also provide individual student health insurance policies (Blue Cross/Blue Shield, Farmers’, State Farm, etc.). Most policies provide similar coverage for similar costs.
- 2.7.3.23.3 The Citadel is also a member of the student health insurance consortium for universities and colleges in South Carolina. The consortium offers yearly health insurance policies through a State contractor which are available to all students, providing reasonable coverage at relatively low cost. Information on this plan can be found on the Infirmary website.
- 2.7.3.23.4 The Athletic Department (843) 953-5070 has additional information on policies which cover the unique insurance needs of intercollegiate athletes.
- 2.7.3.23.5 Cadets are required to notify the Infirmary in writing when they change insurance plans or update emergency contact phone numbers and addresses.
- 2.7.3.24 **Cadet Illness During Parades.**
- 2.7.3.24.1 Cadets who feel that they are too ill to participate in parade must come to the Infirmary as early as possible before the parade.
- 2.7.3.24.2 Cadet unit commanders may not excuse cadets from parade or other duties because of a “sudden” illness; instead, Cadets must report to the Infirmary for medical evaluation and treatment.
- 2.7.3.24.3 Sudden Friday afternoon illnesses may result in restriction to campus for the weekend.
- 2.7.3.24.4 Cadets released to duty status in time to make parade will be restricted.
- 2.7.3.24.5 If a cadet is released to duty status too late to make the parade, they will be restricted to campus until 0600 the following morning.
- 2.7.3.24.6 Cadets who get sick after Adjutant’s Call (for parade) and feel they are unable to complete the parade may fall out of parade formation and proceed directly to the Infirmary. They must inform a member of their chain of command before falling out.
- 2.7.3.24.7 Cadets previously excused for medical reasons (TDS, XMD, XR, SS, etc.) must meet the company parade formation. They will then report to the Mess Hall, where the JOD will take roll and direct them to wait until he/she releases them (after parade). They will NOT report to the Infirmary.
- 2.7.3.24.8 Cadets who feel weak or dizzy may fall out of formation and move discretely to the rear of the formation assisted by one or two other cadets. They will lie in the shade adjacent to the Avenue of Remembrance and sip oral fluids (provided by Sports Medicine trainers, who attend every parade). Once the cadet feels better, he/she will be escorted directly to the Infirmary.
- 2.7.3.24.9 If a cadet faints during parade, he/she will be moved to the rear of the formation and transported as rapidly as possible to The Infirmary.
- 2.7.3.25 **Cadet Visitors**
- 2.7.3.25.1 Freshmen Orientation Week

- 2.7.4 **Religious Activities and Ethics Training.**

- 2.7.4.1 The Citadel places a high value on the Constitutional right to the free exercise of religion. Furthermore, the development of spiritual, moral, and ethical values is paramount to a Citadel cadet and is one of the four pillars on which we stand. For this reason, religious services, religious activities, and the Ethics Seminar are key components in the college's program to develop principled leaders. The College and the Corps of Cadets will protect and respect the religious customs of all faiths represented in the Corps of Cadets (reference Citadel Policy Memo 2-22 Religious Activities Policy).
- 2.7.4.2 **Ethical Development Training and Chapel Attendance.**
- 2.7.4.2.1 To provide for a common foundation of moral-ethical thinking and prepare incoming freshmen for the Ethical Fitness Seminar (CIT 111) all Fourth Class Cadets will participate in Ethical Development Training on the first two Sunday mornings following Matriculation Day..
- 2.7.4.2.2 They may choose to do this through attendance at either the Ethics Seminar or one of the campus religious services (Jewish, Muslim, Catholic, Episcopal, Orthodox, Buddhist or Collective Protestant).
- 2.7.4.2.3 Knobs have the right to choose which one they will attend and do not have to attend the same training service each week.

## CHAPTER 3 – THE FOURTH CLASS SYSTEM

### 3.1 PURPOSE

- 3.1.1 The Fourth Class System represents the foundation of The Citadel's signature four year leadership development programs. It creates the discipline and instills the core values of Honor, Duty, and Respect which is expected of principled leaders in all walks of life.

### 3.2 BACKGROUND

- 3.2.1 The system is deliberately and appropriately stressful while always remaining positive, professional, and purposeful.
- 3.2.2 Appropriate stress is created through time-proven and time-honored methods, which include bracing, "driving the stairs", and walking in the gutters.
- 3.2.3 The Fourth Class System creates artificial stress to accelerate and make second nature the habits of self-discipline, teamwork, and a collective sense of accountability for everyone on the team.
- 3.2.4 Some past customs are hazing, and, as such, are prohibited not only by college regulations, but by state law.

### 3.3 PRINCIPLES OF THE FOURTH CLASS SYSTEM

- 3.3.1 All cadets will be treated with dignity and respect.
- 3.3.2 All cadets, regardless of class, will accept personal responsibility for the fair, equitable, proper, and effective operation of the system.
- 3.3.3 All cadets will implement the system in such a manner as to support each cadet's opportunity to achieve academic, military, physical, and moral-ethical excellence.
- 3.3.4 No cadet will put another cadet in a position where he or she must compromise Citadel Core Values or disregard prescribed rules, regulations, or standards.
- 3.3.5 The system will not interfere with a Fourth Class Cadet's right to adequate sleep and food.
- 3.3.6 The system must provide the new cadet with the necessary positive leadership development training to be prepared to exercise leadership within the Corps of Cadets and serve as the foundation for the four-year progression of The Citadel leadership model.
- 3.3.7 The system, implemented in a manner that personifies our institutional core values, uncovers and attempts to develop deficiencies in new cadets, which might otherwise result in a cadet's failure to achieve or exceed prescribed standards of performance.
- 3.3.8 The system provides Upper Class Cadets with the opportunity to demonstrate learned leadership characteristics as they set the example, motivate, train, and mentor new cadets.

### 3.4 OBJECTIVES

- 3.4.1 To provide new cadets with an understanding of The Citadel's core values of Honor, Duty, and Respect.
- 3.4.2 To teach new cadets the regulations, customs and traditions of The Citadel.
- 3.4.3 To remove wealth and former station as factors in the development of new cadets.
- 3.4.4 To instill in new cadets a sense of humility and selfless subordination.
- 3.4.5 To develop personal character and create a foundation for honorable and ethical decision-making.
- 3.4.6 To instill new cadets with self-discipline.
- 3.4.7 To physically challenge new cadets and establish a foundation of understanding the necessity of physical fitness for life.
- 3.4.8 To instruct new cadets in time management.
- 3.4.9 To prepare new cadets for academic achievement.
- 3.4.10 To inculcate class cohesion in support of The Citadel Mission and the development of Principled Leaders.

- 3.5.3 Verbal communication by an Upper Class Cadet to a Fourth Class Cadet is official, firm and professional.  
An elevated voice level and inflection is used by cadet leaders to indicate emphasis.
- 3.5.4 The use of profane, abusive, or sexual language is not authorized and will not be tolerated.
- 3.5.5 Non-rank holding Upper Class Cadets are prohibited from interfacing with Fourth Class Cadets unless there is a legitimate reason or on official business of the College (e.g. Senior Mentor system, tutoring, guard).
- 3.5.6 Only the authorized chain of command is authorized to issue orders or make corrections to Fourth Class Cadets.

### 3.6 FIRST CLASS MENTOR PROGRAM:

- 3.6.2.6 TAC Officers
  - 3.6.2.6.1 TAC Officers will monitor to ensure that cadet unit commanders are properly supervising this mentor system. Violations will be investigated and corrective action taken.

### 6.6 PERFORMANCE REPORTS - CC FORM 53 (PR)

#### 6.6.1 **General**

- 6.6.1.1 Violations or suspected violations of regulations on the part of cadets are reported on a Performance Report (PR). The details or facts surrounding the report of an offense are most frequently determined through an Explanation Required Written and face-to-face sessions between the accused and the Chain of Command and TAC Officers.
- 6.6.1.2 Any member of the faculty, staff, commissioned or non--commissioned officer or cadet rank-holder may complete a Performance Report (PR) alleging disciplinary violations against a cadet for violations of The College Regulations, Blue Book, or other applicable regulations. For violations involving groups of cadets or cadet units, report the allegations to the appropriate TAC and/or Cadet Chain of Command. A PR shall describe with reasonable particularity the conduct of the accused cadet, and shall be delivered to the Commandant's Department.
- 6.6.1.3 A PR should be submitted as soon as possible after the event takes place but there is no statute of limitations.

- 6.6.1.4 Prior to the issuance of a PR, however, the Commandant, or his or her designee, may conduct an investigation to determine if allegations of disciplinary violations have merit or a more egregious infraction has occurred.
- 6.6.1.5 If the Commandant concludes the charges are without merit, such disposition shall be final and there shall be no subsequent proceedings.
- 6.6.1.6 If the charges are found to have merit, the investigating officer may issue or recommend issuance of a PR, and may later serve in the same matter as a member of a Hearing or Commandant's Board.

#### 6.6.2 Processing of a PR

- 6.6.2.1 In cases where the PR is being written for an offense which may be corrected on the spot, a PR is not required but may be submitted at the discretion of the observer.
- 6.6.2.2 PRs are also not required for Class III Offenses but may be submitted at the discretion of the observer.
- 6.6.2.3 PRs are required for Class I and II Offenses and are used to reward outstanding performance with merits.
- 6.6.2.4 If it is determined that a PR is required, then the reporting official, if practical, will inform the cadet, fill out the PR, and immediately forward the PR to the Commandant's Office.  
The Commandant's Office will record the PR and, in the case of the PR being for improper conduct, forward it to the offending cadet the next duty day.  
PRs submitted for merits will be posted to the cadet's record, and no further action is required.
- 6.6.2.5 Upon receipt of the PR, the offending cadet will either initial the front of the PR acknowledging the offense or attach an Explanation Required in Writing (ERW) and forward the PR/ERW to the **Regulations and Discipline NCO**.  
Cadets desiring a Commandant's Board or Hearing will so state on the ERW.
- 6.6.2.6 The Cadet Company Commander or Executive Officer will review the PR/ERW, recommend a punishment and provide any rationale for the recommendation on the PR or the ERW and forward it to the Assistant Commandant for Discipline through the Company and Battalion TACs.
- 6.6.2.7 TAC Officers may be used as investigating officers on Class I and II offenses at the direction of the Commandant.
- 6.6.2.8 The TAC Officer may make specific recommendations for punishment to the Assistant Commandant for Discipline.
- 6.6.2.9 The Assistant Commandant for Discipline will review the Class I or II PR/ERW and either assign punishment (Class IIs or Class IIIs) or make a specific punishment recommendation to the Commandant for a recommendation that a Commandant's Board or Hearing be convened to recommend punishment.  
A cadet requesting a Hearing has the option of personally presenting the case before the Hearing Officer or allowing the ERW to stand as his/her defense. Cadet Company Commanders and other members of the accused's Chain of Command should attend the Hearing whenever possible. Hearings will be conducted in accordance with Chapter 11, White Book.
- 6.6.2.10 The Assistant Commandant for Discipline will review all Class I and II punishments prior to publication. This review will be for the purpose of ensuring compliance with the provisions of this chapter and to note consistency of punishment and disciplinary trends.
- 6.6.2.11 Final decision on punishments will be made by the Commandant when an issue of inconsistency is raised.

#### 6.7 EXPLANATION REQUIRED IN WRITING – CC FORM 54 (ERW)

- 6.7.1 Any cadet who is accused of an offense for which a Performance Report (PR) has been written may provide a written explanation of the circumstances surrounding the alleged offense.
- 6.7.2 There will always be a reason for an offense, but, in most cases, the reason will not excuse the offense. Reasons which are determined to be beyond the control of the offending cadet or extenuating circumstances are taken into consideration when determining the appropriate punishment.
- 6.7.3 These written explanations are known as ERWs and are submitted using CC Form 54.
- 6.7.4 No cadet will prevent or attempt to influence any other cadet from writing an explanation of the circumstances surrounding an alleged offense.

#### 6.8 PUNISHMENTS

##### 6.8.1 Demerits.

- 6.8.1.1 Demerits are punishments awarded either separately or in conjunction with other punishments, such as tours or confinements.
- 6.8.1.2 Demerits accumulate by month and semester and are not affected by amnesty.
- 6.8.1.3 Cadets who exceed the authorized demerit totals shown below are subject to disciplinary action and various counseling.
- 6.8.1.4 The number of demerits a cadet is allowed to accumulate without further penalty is based upon the academic class of the cadet:

<u>Academic Class</u>	<u>Semester</u>	<u>Year</u>
Fourth	120	240
Third	100	200
Second	90	180
First	80	160

- 6.8.1.5 When cadets exceed 50% of authorized semester demerit total, they appear before a Conduct Review Board (CRB)  
The CRB is composed of the Company TAC Officer and the Cadet Company Commander or Executive Officer.

The purpose of the CRB is to determine whether the cadet should be referred to the President for appearance before a Suitability Board (SB).

- 6.8.1.6 When cadets exceed an authorized annual demerit total, they will be required to appear before a CRB and a SB.
- 6.8.1.7 Cadets that are not present during the first semester (overseas study/suspension/dismissal/medical leave) will have their second semester demerits treated as though they are annual demerits.

## 6.8.2 Restrictions.

- 6.8.2.1 Restrictions are automatically awarded to cadets who are assigned cons or tours for the period of time in which they are serving cons or tours.
- 6.8.2.2 Restrictions may also be awarded separate from other punishments but not in addition to demerits, work, cons, or tours.
- 6.8.2.3 Restriction to the limits of the campus is imposed on cadets who are Conduct Deficient.  
Restricted Cadets may leave the campus only if placed on Special Orders or if granted a Special or Emergency Leave.
- 6.8.2.4 Cadets on restriction are required to initial restriction sheets in their respective duty room within the 10-minute block of time after each 50 minute period of punishment served. For example, you have from 1250 to 1300 to sign for the 1200 hour block signifying you were present on-campus from 1100-1200.  
Restricted Cadets who fail to sign in within the specified time period are reported as AWOL by the respective Duty Team Member.
- 6.8.2.5 The Company Duty Team is responsible for ensuring the Restriction, Tours, and Confinements sheets are turned in to the Cadet Battalion Adjutant, who will ensure proper completeness prior to forwarding them to the Battalion TAC by 0800 Monday and Thursday morning.
- 6.8.2.6 Restriction sign-in is required on Wednesday from 1500 to 1900, on Friday 1800 to 0100; on Saturday from 0800 to 0100; and on Sunday from 0800 to 2000.
- 6.8.2.7 Cadets must be in authorized uniform when signing restrictions. Mixed uniforms are not acceptable.
- 6.8.2.8 Cadets while on restriction may sign out to authorized activities on campus (e.g. ballgame, Deas Hall, etc.).

## 6.8.3 Confinements.

- 6.8.3.1 A confinement is a 50-minute period during which confined cadets, in duty uniform with white waist belt, are required to remain in their room studying, which is maintained in MRI Order.
- 6.8.3.2 Confinements will be served by battalion in designated classrooms as outlined in Memorandum #5, dated 27 August 2014, "**PROCEDURES FOR CONDUCTING BATTALION CONFINEMENTS IN CLASSROOMS.**" The memorandum can be found on the Commandant's Departments Website "<http://www.citadel.edu/root/commandant-and-regimental-memos>"
- 6.8.3.3 Optional Confinements:
  - 6.8.3.3.1 At the beginning of the first confinement period, and after each confinement served, each confined cadet reports to the formation at the base of the company letter to be inspected. At the end of the period, the cadet signs the confinement sheet. A cadet's signature on the confinement sheet indicates understanding of confinement status and that he/she was sitting punishment in their room (as outlined in Para 6.8.3.1 above) during the previous confinement period, unless excused by a proper authority.
  - 6.8.3.3.2 Academic activities are the only activities in which a confined cadet is authorized to participate.
  - 6.8.3.3.3 During each confinement period, the Company Duty Officer or NCO will check the room of each confined cadet at least once to ensure that confinement is being served properly. In the case of a confinement being improperly served, the Company Duty Officer or NCO will make a spot correction or mark NC (no credit) on the confinement sheet
  - 6.8.3.3.4 Confined cadets are not authorized visitors and will display a sign on their door which says "CONFINEMENT." The form is available at: <http://www.citadel.edu/root/commandant-administration/commandant-administration-cc-forms>.
  - 6.8.3.4 No Credit (NC)- Should the cadet fail to serve punishment (IAW Para 6.8.3.1), the cadet's punishment slot should be marked NC, and he/she will receive a performance report and no credit for the punishment. If the cadet signs for an improper confinement, the cadet will be reported to the honor committee.
  - 6.8.3.4.1 A cadet who improperly performs punishment must sign the appropriate time block with an "NC". Those cadets who properly perform their punishments will place their own initials in the appropriate time block declaring it as an official statement.
- 6.8.3.5 Confinements are served on Wednesday at 1500, 1600, and 1700; on Friday at 1900, 2000, and 2100; and on Saturday at 1400, 1500, 1600, 1900, 2000, and 2100. In season cadet athletes are allowed to serve until 2400 hrs on Friday and Saturday night. Optional Sunday 1400, 1500, 1600, and 1700 is available for in season cadet athletes and for those cadets who were unable to serve their confinements earlier in the week—but not to exceed 12 confinements.
- 6.8.3.6 The maximum number of confinements served per week is 12.
- 6.8.3.7 During each confinement period, the Company Duty Officer or NCO will check the room of each confined cadet at least once to ensure that confinement is being served properly. In the case of a confinement being improperly served, the Company Duty Officer or NCO will make a spot correction or mark NC (no credit) on the confinement sheet

## 6.8.4 Tours.

- 6.8.4.1 A tour is a 50-minute period of time during which a cadet marches on the quadrangle at 120 steps a minute with a rifle at right- or left- shoulder arms.
- 6.8.4.2 The cadet marches in duty uniform with white waist belt and white gloves and no name-tag.
- 6.8.4.3 No electronic devices, tobacco products, or other items that prevent a cadet from strictly marching a tour are allowed. Cadets will not talk with any other cadet while performing a tour, except in the performance of duty. Cadets will, to the extent possible, separate themselves from others performing tours by a minimum of one "square" on the quadrangle.
- 6.8.4.4 Prior to the beginning of the first tour period, each cadet with tours reports to the Company Duty Team in front of the company letter to be inspected for proper uniform. After release by the Company Duty Team, each cadet with tours will report to the Battalion Duty Officer, who supervises performance of tours. Cadets who are on orders, such as "In-Season NCAA" athletes will, after informing the Battalion Duty officer, return to the control of the Company Duty Team to perform "Confinements for Tours."
- 6.8.4.5 After the tour period is completed, cadets will initial the tour sheets located with the Battalion Duty Officer.  
A cadet's initials on the tour sheet indicates understanding of completing a proper tour and that he/she completed a proper tour during the previous tour period, unless excused by proper authority.
- 6.8.4.6 Cadets having both tours and confinements must walk tours first.
- 6.8.4.7 A cadet does not receive credit for improperly walked tours.

- 6.8.4.11 The maximum number of tours served per week is 12.
- 6.8.4.12 Cadets may be allowed to walk accelerated tours at the end of each semester in order to meet the requirements for graduation or to be able to hold rank during the beginning of the next school year. Accelerated tour instructions are published at the end of each semester.
- 6.8.4.13 Cadets, who have completed academic requirements for graduation and still have tours to finish, will walk these tours in accordance with accelerated tour instructions. Exceptions to this policy are at the discretion of the Commandant. Diplomas will be awarded only after their punishments are complete.

- 6.8.6.1 Amnesty may be granted by the President of the United States, a foreign Head of State, the Governor of South Carolina, The Citadel Board of Visitors, or The Citadel President.
- 6.8.6.2 Amnesty applies to all un-served punishments except those designated by this regulation as not qualifying for amnesty. Punishments not qualifying for amnesty are those stating "No Amnesty" in Annex B, plus any offense determined to be substance abuse, alcohol related, hazing, sexual assault or sexual harassment related. Amnesty only applies to events for which a PR has been written and published on the Punishment Orders prior to amnesty being granted.
- 6.8.6.3 If it is determined that an offense was committed in anticipation of amnesty, then the punishment resulting from that offense will not qualify for amnesty. This determination will be made by the Commandant.
- 6.8.6.4 Amnesty does not affect demerit totals.
- 6.8.7 Confinements for Tours.**
- 6.8.7.1 Ordinarily, Tours cannot be worked or walked off, however; cadets who are designated by The Citadel Surgeon as Excused from Military Duties (XMD) serve confinements for tours on a one-for-one basis. XMD Cadets are not allowed to walk tours. Cadets sitting confinements in lieu of tours will initial each tour period with their initials and write "XMD: C's for T's" next to their tour line.
- 6.8.7.2 Confinements are also served for tours on one-for-one basis during designated midterm. A credit of 15 confinements or tours will be awarded during the final exam periods. In-season Cadet Athlete cadets will also serve confinements for tours on a one-for-one basis while on in-season orders

- 6.8.8 **Work.**
- 6.8.8.1 Occasionally cadets are authorized to perform work projects in lieu of confinements. These projects must be approved by the Assistant Commandant for Discipline.

- Upon approval of the project, the Assistant Commandant for Discipline will solicit recommendations for cadets to perform the work from the Battalion TACs.
- Cadets desiring to work for punishment must submit a work request form through their Chain of Command to the Assistant Commandant for Discipline.
- 6.8.9 **Suspension and Remission of Punishment (Punishments Held in Abeyance).**
- 6.8.9.1 When a cadet who has been awarded a punishment order demonstrates through superior performance of duty and exemplary conduct that the punishment has served its purpose, he/she may be recommended for suspension of not more than one-third of the original award.
- 6.8.9.2 It is not automatic; a cadet who maintains a good appearance, serves punishments properly, is an asset to the company, and has learned a lesson, may have his/her punishment held in abeyance.
- 6.8.9.3 If a cadet is presently serving two punishment orders, he/she will complete one prior to being allowed to be considered for the 1/3 suspension of the second.
- 6.8.9.4 Letter/memorandum recommendations for punishments being held in abeyance must originate with the cadet and be processed in writing through the Cadet and TAC Chain of Command for approval by the Assistant Commandant for Discipline. The letter/memorandum must include lessons learned by the cadet through the discipline process.
- 6.8.9.5 Cadets with punishments held in abeyance who finish a two-month period without additional tour/confinement awards will have the suspended tours/confinements remitted when requested in writing through the Cadet and TAC Chain of Authority to the Assistant Commandant for Discipline.

- 6.8.10 **Appeals.**
- 6.8.10.1 Cadets may appeal the award of any punishment received.
- 6.8.10.2 An appeal is submitted when the cadet feels the final punishment awarded is unjust.
- 6.8.10.3 No appeal is required when the punishment awarded is determined to be incorrect due to an administrative error.
- 6.8.10.4 Correction of administrative errors requires the cadet to point out the error either in person or in writing to the Commandant through the channels listed in appeals chart, below.
- 6.8.10.5 Appeals should focus on the justification for requesting a reduced punishment and not on information which has already been considered by the punishment authority.
- 6.8.10.6 Appeals must be submitted within 5 working days from the date of the punishment.

Appeals are submitted as shown below:

OFFENSE	THROUGH	APPROVAL AUTHORITY
Class III	Commander	Assistant Commandant for Discipline
Class II	Commander	Commandant
		President
Class I	Commandant	Suspension, Dismissal or Expulsion
		President

- 6.8.10.7 Unless otherwise authorized by the Commandant, once punishment is awarded and announced, cadets will serve punishments regardless of the status of any appeal.

- 6.9.2 **Required Counseling**

## **6.10 INVESTIGATIONS AND BOARDS.**

### **6.10.1 General.**

- 6.10.1.2 In Class I Offenses where suspension, dismissal, or expulsion is the maximum punishment, or in cases where there are conflicting versions of the circumstances surrounding the offense, an Investigating Officer (IO) or Commandant's Board (CB) is appointed.  
Only the Commandant of Cadets or his Chief of Staff may appoint an investigating officer.  
The formalization of the fact-finding process for Class I Offenses is intended to ensure that the accused has ample opportunity to present the facts and to confront the accuser or witnesses in the presence of the IO or CB.

- 6.10.4.3 All cadets who exceed their annual demerit authorization are referred to a Suitability Board.
- 6.10.4.4 A CRB is also required to initiate suspension of cadets whose flagrant disregard for authority has been demonstrated by the receipt of four or more Class I or II Offenses in a semester.
- 6.10.4.5 The CRB is the only procedure that initiates the Suitability Board process.
- 6.10.4.6 In all cases where a CRB results in a recommendation for a Suitability Board, the recommendation is done in writing.
- 6.10.4.7 CRB procedures are in Chapter 11, White Book.
- 6.10.5 **Suitability Hearing (SH).**
- 6.10.5.1 SHs are convened by The Commandant of Cadets, and administered by their designated representative.

- 6.10.6.3 The following are exclusive grounds for appeals:
- The Hearing Officer or Board failed to follow due process;
  - That significant information has been discovered since the Board or Hearing, which would probably change the result, but which could not, in the exercise of due diligence, have been presented to the Board or Hearing.
- 6.10.6.4 Cadets and/or students who have been suspended, dismissed, or expelled by proper authority, are entitled to appeal.
- 6.10.6.5 Written petitions of appeal must state the grounds on which the appeal is based and must be received by the Office of the President within five (5) working days of the date the punishment is announced.

If the cadet signs for an improper confinement, the cadet will be reported to the honor committee.

6.8.3.4.1 A cadet who improperly performs punishment must sign the appropriate time block with an "NC". Those cadets who properly perform their punishments will place their own initials in the appropriate time block declaring it as an official statement.
